

ECLIPSE WIRE

Sedia | Chair

DESIGN ANGELO PINAFFO

Una linea continua, curva come le orbite ellittiche dei pianeti, genera una seduta pulita ed essenziale, che trasmette leggerezza. Eclipse, dal richiamo vintage, è la sedia ideale per il tuo giardino. Trattata con cataforesi per resistere ad ogni agente atmosferico, Eclipse Wire concilia le necessità di robustezza e resistenza ad un design unico e riconoscibile.

A continuous line, curved like the elliptical orbits of the planets, generates a clean and essential seat, which conveys lightness. Eclipse, with a vintage appeal, is the ideal chair for your garden. Trated with cataphoresis to withstand all weather conditions, Eclipse Wire reconciles the need for strenght and resistance with a unique and recognizable design.
