NOVA Wood

Ensuring mobility

- The durable design and castors give the table added mobility and enable you to easily move it to where you need it.
- The well-thought-out cable tray design will allow for easy and safe management of electrical power supply elements.

A stylish workplace for quick tasks

- Suitable for easy-to-access, dynamic office areas.
- Promotes cooperation between different teams.

A modern dining area featuring a long, white, rectangular table supported by a light-colored wooden frame. The table is surrounded by high-backed chairs with grey and yellow upholstery and white metal legs. Above the table, a wooden structure holds several white planters with green trailing plants and four pendant lights with clear glass shades. The background is a light-colored stone wall, and a decorative dark grey screen with a circular pattern is visible on the right side.

Point of attraction fostering
corporate culture
